With the Metaverse Bonus&Growth certificate investors participate without any yield limitation at 100% in the positive performance of the underlying Solactive® Metaverse Technology and Services EUR Index 3.5% AR at the end of the term. Provided the barrier of 50% of the index' starting value was never touched our undercut during the observation period, the certificate will be redeemed at the minimum of 112% of the nominal value. In the event of a barrier violation during the term investors are exposed to full market risk; this means a substantial capital loss is possible.

Details on the Solactive® Metaverse Technology and Services EUR Index 3.5% AR as well as the current list of index members can be found on the website of the index provider Solactive® AG
