POPIS

With the Megatrends Top Plus Bonus certificate, investors can obtain an additional coupon of 35% if the underlying iSTOXX® Global Megatrends Select 50 Price EUR Index quotes at or above 100% of the starting value at the end of the term. If the closing price of the index quotes below the starting value but above the barrier of 60% of the starting value at the final valuation date, the repayment is made at 100% of the nominal amount. In the event of a barrier breach at the end of the term, investors are exposed 1:1 to market risk. In this case a substantial loss of capital is possible. Please note that due to the introduction of new EU standards this certificate is not classified as sustainable within the meaning of the Taxonomy and Disclosure Regulation.
