DESCRIPTION

With the certificate **Sustainability Bond 90% V**, investors achieve a return of 12% or 24% if at the end of the term the price of the underlying STOXX® Global ESG Leaders Select 50 Price EUR Index quotes at or above 100% or 112% of the starting value. If the index declines by up to -10%, the repayment is made at 100% of the nominal amount. In the event of a negative price performance of more than -10%, the 90% capital protection applies at the end of the term.

Details on the **STOXX® Global ESG Leaders Select 50 index** as well as the current list of index members can be found on the website of the index provider STOXX Ltd. **This product is no certificate, which considers Principal Adverse Impacts. However, the underlying follows a dedicated ESG strategy.**
