DESCRIPTION

During the term, investors obtain fixed interest payments. If, during the term, the underlying always quotes above the barrier, the certificate is redeemed at the nominal value.

If, during the term, the barrier is touched or undercut, the bonus mechanism is suspended. At the maturity date payment is effected analogue to the performance of the underlying. The redemption amount is limited to the nominal value.

This certificates complies with the **sustainability standard for Raiffeisen Certificates** and takes into account important adverse impacts on sustainability factors ("PAIs").
