## DESCRIPTION

With the **ESG Global Dividend Bonus&Growth** certificate investors participate without any yield limitation at 100% in the positive performance of the underlying MSCI® World ESG Select Dividend 50 Price EUR index at the end of the term. Provided the barrier of 50% of the index` starting value was never touched our undercut during the observation period, the certificate will be redeemed at the minimum of 116% of the nominal value. In the event of a barrier violation during the term investors are exposed to full market risk; this means a substantial capital loss is possible.

Details on the MSCI® World ESG Select Dividend 50 Price EUR index can be found on the website of the index provider MSCI by selecting the respective index in the dropdown menu. This certificates complies with the **sustainability standard for Raiffeisen Certificates** and takes into account important adverse impacts on sustainability factors ("PAIs").
