DESCRIPTION

With the **Germany Sustainability Bonus&Growth 3** certificate investors participate without any yield limitation at 100% in the positive performance of the underlying DAX® 50 ESG (PR) EUR index at the end of the term. Provided the barrier of 52% of the index` starting value was never touched our undercut during the observation period, the certificate will be redeemed at the minimum level of 100% of the nominal value. In the event of a barrier violation investors are exposed to full market risk; this means a substantial capital loss is possible. This certificate complies with the **sustainability standard for Raiffeisen Certificates** and takes into account important adverse impacts on sustainability factors ("PAIs").
