

CERTIFICATES AWARD AUSTRIA 2013

RCB REMAINS BEST ISSUER IN AUSTRIA

On May 13, 2013 the seventh Certificates Award Austria took place at the Erste Bank Lounge in Vienna. The best certificates and issuers in Austria were rewarded. Raiffeisen Centrobank (RCB) convinced the jury with its products and service range and came off as overall winner from 19 national and international issuers for the seventh time in a row. The ceremony was hosted by Zertifikate Forum Austrian and its partner ZertifikateJournal.

The independent jury has voted: We are pleased to announce that we successfully defended our title as "OVERALL WINNER OF THE CERTIFICATES AWARD AUSTRIA" for the seventh time in a row.

Info & Service: outstanding overall package

- Winning the most prestigious category is of particular importance to us. The Team Structured Products headed by Heike Arbter won this category for their continuous efforts and commitment relating to the comprehensive Internet platform, the products hotline, various brochures and information material.

Austrian Certificate of the Year: Factor Certificate on the ATX®

- The Factor Certificate on the Austrian principal index convinced the jury members. In the past year, the certificate enabled investors to participate twice in the positive ATX® performance and to generate a yield coming up to 65 %.

Capital protected investment product: Dividend Stocks Winner Guarantee Certificate

- Raiffeisen Centrobank succeeded as well in winning this category, which represents the main product group on the Austrian market. We won with our „Dividend Stocks Winner“, a certificate that stands out for its clear-cut concept and investment story.

Discount Certificate & Reverse Convertible Bonds: Protect Reverse Convertible Bond RBI

- The fixed coupon of 14 % p.a. and the safety mechanism protecting investors from losses up to -25 % gained the victory for RCB. This award acknowledges the broad market coverage on Austrian and East European underlyings.

Raiffeisen Centrobank: Best Issuer in Austria

We ...

- provide transparent market access for private investors
- enable investors to efficiently and simply trade market developments
- provide clear-cut and transparent payout profiles
- attach particular importance to risk-optimised structures
- offer a broad market coverage
- provide a comprehensive product range
- stand out for long-term expertise, continuity and sustainability

... and are therefore the sole Austrian full-service provider!
