

RCB AWARDED AT WARSAW STOCK MARKET GALA

On February 13, 2014 Raiffeisen Centrobank AG (RCB) was honoured for its commitment to the Polish capital market on the occasion of the Stock Market Gala hosted by the Warsaw Stock Exchange. Heike Arbter, Managing Director at RCB, received the prestigious award for **“the most diversified offer of structured products in 2013”**.

POLISH CAPITAL MARKET LEADERS 2013

Issuers, exchange members and authorised advisers were awarded for their special contribution to the growth of the Polish stock market.

The Warsaw Stock Exchange granted awards in different categories to the Market Leaders for 2013.

Numerous guests of honour attended the event, among them the Deputy Prime Minister and Minister of Economy, the Minister of Finance and the Head of the Chancellery of the President of Poland.

We are very proud to announce that we were the sole Austrian bank and one among a few foreign banks who received this award.

Honoured by Warsaw Stock Exchange: In close cooperation with Raiffeisen Polbank and the local brokerage house R-Brokers, RCB successfully introduced new certificates on the important stock market in Warsaw and continuously expanded its product range on the Polish market.

RCB, the leading Austrian issuer of structured products, has actively been promoting the certificates market on the WSE **since 2007**, and has played a major role in offering innovative products and in providing information and education on them.

Moreover, RCB acts as **market maker**, thus providing for liquidity as well as for a permanent secondary market. In 2013 **new RCB products** were listed at WSE **on a monthly basis** ranging from more conservative Guarantee and Bonus Certificates to leveraged Warrants and Factor Certificates, but also **including product innovations** such as Twin Win Certificates or Reverse Convertible Bonds. The WSE even called the latter two **“Highlights in 2013”** on the Polish capital market. Supported by the Raiffeisen brokerage house in Poland, RCB provides institutional as well as private investors with comprehensive solutions for each market phase and risk appetite.
